Timed Question: Learning to drive is a freedom, but then it turns into a burden when you become a chauffeur.

1. Desearia poder escribir todo este examen sin Internet, pero no se español, asi que necesite Google Translate para ayudarme.
2. It's crazy how hot it has been I saw melted tar in a Costco parking lot
3. As soon as we crossed the border, my sister exclaimed, "Look! The river is light blue!" as if she hasn't seen water before.
4. There will always be somebody who tells you it is impossible but never let that drag you down.
5. **GRADUATE**: The juniors in concert black flooded the seniors in navy blue robes, embracing each other for the last time.
6. Leaves are already falling
7. My district screams student-athletes. The turf has been full of athletes getting in their workouts after sunset.
8. Chocolate is so much better than candy
9. Staying in the present and living life is one of the hardest things to do for our generation.
10. To the class of 2026 you are now seniors enjoy this year
11. The best time to hang out is during a random spontaneous meetup on a summer weekday night.
12. Sporting shops have a great variety of equipment for every sport except swimming. Why are there only floaties and kid goggles?
13. Sleeping early is one of the most underrated habits
14. If anybody still has school in July I send my condolences
15. **GATOR HEART**: 8753+97461=106214
16. Dry eyes and soft contacts is a bad pairing
17. In torrential rain your only sense of direction is other cars
18. Mi hermana sigue robando todas mis soluciones de contacto porque le da mucha pereza ir al sotano.
19. Starting anything is always the hardest part
20. Pranks are the best way to see the true side of your friends
21. The cockroaches are coming from the floor. Never mind they're falling from the ceiling! Please send help.
22. **TREE BACTERIA**: 128670*395=50824650
23. The summer is amazing because you never have to tie your shoes
24. All it takes is one person to inspire the future
25. Our school's acapella group brought the audience to tears with their rendition of 'Rivers and Roads' at graduation.
26. Rawdogging flights takes guts
27. The twenty twenty-five club world cup will go down in football history. You can't convince me otherwise.
28. Performing at the top level while having food poisoning is incredible
29. **HILARIOUS**: People need to pull more pranks on their friends because good ones will be remembered forever.
30. **PERFECT**: Many things look easier than they actually are because you're watching experts do their thing
31. When procrastinating the most boring games suddenly turn into the most interesting
32. Unhinged people are the funniest people to be around
33. **TRAIN**: What is your favorite mode of transportation? I don't like cars because I go numb from sitting for hours.
